PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 8th November 1960

SUBJECT:—Tally workers strike at London—Extension in the period of validity of import licences.

No. 135-ITC(PN)/60.—It has been brought to the notice of Government that delay in shipment of goods from United Kingdom has occurred due to the Tally workers Strike in London which lasted from the 20th September 1960 to the 18th October, 1960.

2. The matter has been considered and it has been decided that all import licences expiring during the period 20th September 1960 to 31st October 1960 and shipments against which were to be effected from London but which could not be effected due to the strike will automatically be extended to cover shipments from that Port upto 30th November 1960.

3. No formal revalidation of the licences would be necessary. The customs authorities will allow clearance of goods against the import licences provided the Importers produce a certificate from their foreign suppliers/shippers to the effect that the goods in question would have been shipped during the period of original validity of the licences but for the strike in London.

4. It may be noted that no fresh letters of credit will be allowed to be opened during this period of extension in the validity of licences but letters of credit which have already been opened against these licences and have expired during this period can be renewed or extended.

K. T. SATARAWALA,

Chief Controller of Imports & Exports.
